

KINDERGARTEN HAPPENINGS

2016

What a fun week it was!!!

What a wonderful concert last night. The kiddos worked so hard and it paid off. Thank you for coming out to witness their hard work!

Important Dates

Reading

This week in reading we... began our unit on characters. We have established that a character can

1. be an animal, person, or thing,
2. talk
3. be an important part of the story

Writing

This week in writing we... began to review our small moment, personal narratives. After break we will come back and start a new unit on writing these, so we spend the last few weeks of the year reviewing this.

Math

This week in math we... began unit 3. Up to this point we have been focusing on groups of ten. I am stressing that it is much faster to group things in ten when we have to count a teen number because we can just say 10 instead of counting each one in the group.
